

PRESS RELEASE

**PIAGGIO GROUP AWARDED THE POSTE ITALIANE TENDER
FOR THE SUPPLY OF 5,000 3-WHEEL SCOOTERS**

**The Piaggio Group confirms its position as the leading European supplier of
postal and professional delivery vehicles**

Milan, 07 August 2020 - **The Piaggio Group (PIA.MI) has been awarded the tender put out in the EU by Poste Italiane S.p.A. (PST.MI) for the supply of 5,000 three-wheel thermal scooters to be used in postal delivery services. The contract is worth an overall amount of more than 31 million euro.**

The vehicle in question is the new scooter, **Piaggio 3W- Delivery 125cc Euro 5, designed and developed by the Piaggio Group specifically to meet the transportation and delivery requirements of corporate fleets and typical delivery needs.**

The **Piaggio 3W- Delivery** offers an outstanding load capacity of 95 kg thanks to the combination of front and rear carriers (25kg front and 70kg in the rear compartment). Additionally, the “high wheels” and double-wheel tilting rear system guarantee high stability and safety when driving.

Poste Italiane recognised the scooter as the best solution for transportation of large volumes, while guaranteeing safety and manoeuvrability.

Shipment of the fleet will be completed by mid-2021.

The contract confirms the Piaggio Group as the leading European supplier of postal and professional delivery vehicles: the experience built up by Piaggio over the years has led it to win contracts for the supply of **more than 53,000 scooters to the postal services in the main European countries.**
